KNOW YOUR RIGHTS

1 Right to make informed decisions

To make an informed decision, you must be provided with all of the information, at every visit. You need be made aware of the risks vs the benefits.

2 Right to access safe /transparent care

Homebase Hubs need to minimize risks and provide a safe, caring place for youth and their families. Must keep clients informed at all times about their care.

3 Right to change/revoke consent

As a service user you have the right to consent to the services you are accessing and who that information is shared with. You have the right to change/revoke consent at anytime during your care

4 Right to refuse a service and/or service provider

If you do not feel comfortable or are not ready to access specific services you have the right to refuse at any time.

5 Right to privacy

HOMEBASE Hubs are bound by strict policies and procedures to ensure your privacy and confidentiality are upheld. You will be notified who your information may be shared with at each visit

6 Right to be in charge of your care

Take charge of your care, and be actively involved! Ask questions and speak up. HOMEBASE hubs will provide a safe place to let you be in control of your care.
